11 May 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 11 May 1967

DDCI was in the chair. The Director was on the Hill.

DD/I passed the DDCI a memorandum examining the possible intrusion of Chinese air space on 2 May. DDCI discussed distribution, and it was decided to send two copies via [] to Secretaries McNamara and Vance, one copy to Walt Rostow, and one copy to General Carroll. The question of distribution to State will be up to Secretary McNamara.

DD/I noted the continuation of SS-3 test firings in the USSR and a report that the North Vietnamese have received a rocket with a 20-30 km. range.

[]

25X1

DD/I reported that the memorandum responding to the request by [] for a compilation of Hanoi Radio statements was delivered yesterday. DDCI asked that a copy be given to the Director.

Godfrey passed the DDCI a memorandum analyzing the build-up in the northern part of the I Corps.

Godfrey noted another report from Ambassador Goldberg on a conversation with []

Godfrey said that the USS Walker was involved in another shouldering operation and noted an incident between a Soviet medium bomber and the aircraft carrier Hornet.

Kent said that in view of the agenda he does not plan to attend this morning's USIB meeting.

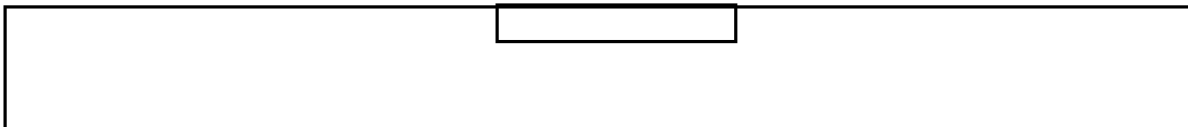

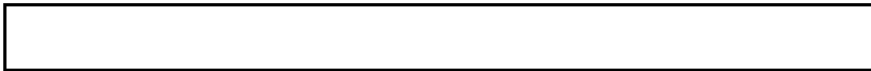

25X1

Carver discussed the NSAM on pacification and said that he will have a memorandum ready in a few days on the points on which the Agency needs clarification. In this connection, the Executive Director described the exchange between BOB and the Hill on RDC funding.

Carver noted that briefings were given yesterday to Harry McPherson and William Jordan and to Hedley Donovan.

K1 [redacted] for Warner reported on the briefing of Representative
K1 Lipscomb [redacted] and on a briefing for Congress-
K1 man Reid by [redacted]

Houston noted that, notwithstanding a press item on the Garrison case in the New York Times, subpoenas for Agency personnel have not been issued.

25X1

Executive Director reminded that Representative Lipscomb and Bob Michaels will be at Headquarters Monday morning and that, should this session develop into a full budget presentation, it might be necessary for senior representatives from each directorate to be present.

Executive Director reported on a conversation he had with the Director yesterday concerning the use of computers in the Agency. (See Action 1)
